

CHIREC PUBLIC SCHOOL - KONDAPUR
PRIMARY SECTION - NEWSLETTER

Dear Parent,

The much awaited summer break is here. The last fortnight saw the children enjoying their half days. They got a feel of the new academic year and did show great eagerness and excitement. The children cannot contain their excitement as they discuss their plans for the summer with their peers. Away from routine life for more than two long months! And so many options to choose from family vacation at picturesque hill stations, summer camps, trekking, mountaineering, visits to historical places, coaching classes for activities, swimming, frequent trips to ice-cream parlours and malls, long hours of T.V. viewing... Oh! The list is endless. But dear parents do take a trip with your wards to book shops and do ensure that they cultivate the good habit of reading.

The unique water play for class I students finally did take place last week and it ended with a splash! Children could barely contain their excitement and you can catch some of the precious moments on the school website. The colourful swimsuits and smiling faces made our splash pool come alive with a vibrancy of a rare sort. Some preferred to simply get their feet wet while others took no rest! A FAQ is, 'When can we have water play again?'

Achievements.....

- Esha Santosh of class III D secured State Rank 3 in NTSE(National Talent Search Examination).
- Abhinav Kumar Kalhan of C III A secured the State 1st rank in the IMO (International Math Olympiad).
- Shreyas Badami of class IV B secured the 1st Rank in National Level and 5th position at the International level in the NTSE. He has also topped the State in the IAIS (International Assessment) in Computer skills; stood 1st in the State in the NCO and secured the 5th International Rank in the same competition.
- Saathvik Dirisala of class IV A topped the State in the IAIS examination in Science .
- Kartheek Sreeram Tammna of class IV C secured the State Level 1st and International 4th rank in the IMO.
- Priya Chowdary Lingutla of class X B secured the 1st International rank in the International English Olympiad.
- Kaavya Muralidharan of class X B won the first position at the state level in the HDFC Spelling Bee Competition, conducted by HDFC.

Congratulations to all toppers!! You all are an inspiration!

Points to Note :

1. Academic tasks given for the summer vacation need to be completed neatly and submitted on the reopening day.
2. All material (Text Books, Note Books, others) belonging to the child needs to be kept with the child at home during the vacation, unlike previous practice, as maintenance work of the premises will be undertaken.
3. Summer vacation commences for class PP I to V from 6th April 2012.
4. School reopens after summer vacation on 11th June 2012.
5. School website : Frequently log in for fresh updates on :
 - Details about the revised bus routes.
 - Dates of trial bus routes. We request you to be present at your specified point to check the same.
 - Dates and time slots for the orientation of various classes.

With Best Wishes,
